Shortage of Potable Water in Sarojini Nagar

2146. MISS SAROJ KHAPARDE: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware that Government servants and their families residing in YZ and XY blocks in Sarojini Nagar, New Delhi are facing acute shortage of potable water due to non-operation of booster pump by NDMC authorities in the area;

(b) if so, what are the details thereof and the action taken by Government to solve the water problem in these blocks;

(c) whether Government propose to take over the water pump of these blocks from NDMC and had it over the CPWD, as has been done in many Government colonies, to ensure regular water supply to the residents; and

(d) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT AND MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS (DR. U. VENKATESWARLU): (a) and (b) The New Delhi Municipal Council (NDMC) has reported that there is normal water supply in YZ & XY blocks in Sarojini Nagar, New Delhi as the booster pumps installed by NDMC are regularly pumping water in morning and evening to boost the water pressure.

In case of any breakdown, the same are repaired on priority basis and action is also being taken to provide standby pumps.

(c) and (d) NDMC has reported that there is no such proposal and they have already constructed underground tank in Sarojini Nagar for supplying water alongwith booster pump to further improve the water pressure in YZ & XY blocks being on the tail-end.
